

We Have a Fresh, New Look!

Dear Member,

We're happy to tell you about some exciting new changes at Passport Health Plan! Over the past 10 months, we've been working extra hard to become the best health plan we can be.

We believe the way to be the best is to put YOU first! You deserve the very best health care and we want to make sure you have one less thing to worry about.

HERE ARE SOME OF THE **EXCITING NEW CHANGES** AT PASSPORT HEALTH PLAN:

A Fresh, New Look!

We now have a fresh, new look. Starting early November, you will see our brand new company logo. The new logo will be used on all the information you receive from us. The new logo is our way of updating our look, so you can be proud to be a part of Passport Health Plan. If you still have things with the old logo on it, you don't have to throw them away.

New ID Card

Soon, you will receive a new Passport Health Plan member ID card. The card will have the new logo on it along with other information to keep handy.

Things to Do When You Get Your New ID Card

- Cut up and throw away your old red and black card.
- Check all the information on your new card. Make sure everything is right. If there is an error on the card, please call Member Services at 1-800-578-0603.
- This ID card belongs to you only. Never let anyone else use your card.

We hope you will enjoy the new changes at Passport Health Plan. We are still the same health plan you have come to know – now with a fresh, new look and commitment to YOU!
