

Fighting the #1 cause of death in Kentucky
... Heart Disease

Kentuckians with heart disease are at risk of having a heart attack or stroke. Passport Advantage, a local Medicare Advantage plan, has a **Coronary Artery Disease Management Program** for members who want to prevent heart disease or learn how to manage it.

If you are a Passport Advantage member with questions about this program, call us at:
1-800-578-0603, press 0, then press 78212
(TTY: 1-800-691-5566)

Find out more about Passport Advantage
at **www.passportadvantage.org**!
