**Subject:** Passport Health Plan Copays  
**From:** Passport Health Plan  
**Sent:** March 1, 2007  
**To:** All Passport Health Plan providers

**Provider Types Affected:**

All Passport Health Plan providers

**Background:**

In August 2005, the Kentucky Department for Medicaid Services (DMS) introduced additional copays for members served by their KyHealth Choices program. These copays pertain to specific medical and prescription services.

Passport Health Plan has elected not to replicate the KyHealth Choices copays for our members at this time. We will notify participating providers if this policy changes.

**Provider Action Needed:**

Providers should not collect copays for Passport Health Plan members, except for the existing \$2 copay for vision and dental services and prescription drug copay of \$1 as previously required.

**Questions:**

If you have any questions, please contact Provider Services at (800) 578-0775.
