Dear Passport Health Plan Provider

Passport Health Plan recently celebrated its 10th year anniversary. For the third year in a row, Passport Health Plan has been recognized in *U.S. News & World Report* and NCQA "America's Best Health Plans 2007" as the only Medicaid health plan in Region 4 listed in the top 25.

This year, we improved from a ranking of 21st last year to number 11. The rankings are based on improvements to clinical performance, member satisfaction, and NCQA Accreditation.

This achievement is a reflection of the continued hard work, support, and involvement of our many provider partners. Please accept our heartfelt gratitude for your part in helping Passport Health Plan realize this honor.

If you have any questions, please do not hesitate to contact your Provider Relations representative or the Provider Relations department at (502) 585-7943.

Sincerely,
