

# COMING SOON New Technology Initiatives

Passport Health Plan (PHP) is committed to continually enhancing our technology for participating providers, especially the online capabilities of our web site, [www.passporthealthplan.com](http://www.passporthealthplan.com).

Here's what to watch for in December 2007 and early 2008:

- **Multiple Levels of Access on Secure Services**

Customize and administer levels of access for various users in your office.

- **Online Claims Editing**

Correct specific errors online to avoid claim denials.

- **Electronic Funds Transfer (EFT) and Electronic Remittance Advices (ERA) for all providers**

Enroll in EFT and ERA services.

- **Real-Time Eligibility and Claim Status HIPAA Transactions**

Submit HIPAA-compliant eligibility/benefits (270/271) and claim status (276/277) transactions.

Look for more updates on these developments in the coming weeks!

If you have any questions, please contact your Provider Relations representative or the Provider Relations department at (502) 585-7943.

**The information you need, the speed you want.** Sign up for the Passport Online Information Service (POIS)!
