Coming Soon - DRG Reimbursement Changes to Inpatient Admissions

Dear Hospital Partners,

As you know, Passport Health Plan has been working toward converting our current inpatient reimbursement methodology to Diagnosis Related Groups (DRG) reimbursement. These changes are tentatively scheduled to be effective as of April 1, 2012.

We will be reaching out to you and your facility to meet and discuss these changes individually.

As always, thank you for your commitment to the Plan and our mission to improve the health and quality of life of our members. If you have any questions about this communication, please contact your Provider Relations representative or the Provider Relations department at (502) 585-7943.

Sincerely,
