17.0 Family Planning

17.1 Services

Family planning services are those services provided to members of childbearing age to prevent or delay pregnancy. Services include but are not limited to:

- Routine OB/GYN exams leading to dispensing of contraceptives.
- Birth control/contraceptives, such as pills, sponges, condoms, jellies.
- Intrauterine devices (IUDs) – implantation and removal.
- Injectable long-acting contraceptives.
- Implantable contraceptive devices.

Sterilization*

- Tubal ligations.
- Postpartum tubal ligations.
- Vasectomies.

Terminations*

- First trimester – up to 12 weeks.
- Second trimester – 12 to 22.5 weeks.

***Note:** Thirty days prior to a procedure being provided, the member and the provider must complete and comply with all terms and conditions of the Kentucky Department for Medicaid Services (DMS) consent forms. Consent for Sterilization (MAP 250) and Certification for Induced Abortion of Induced Miscarriage (MAP 235) forms may be obtained by contacting AmeriHealth HMO, Inc. Family Planning at (800) 541-4560 or KyHealth Choices at (800) 807-1232. The forms may also be accessed on the DMS web site, <http://chfs.ky.gov>. Sample forms are located in Section 19 of this *Provider Manual*. The provider must ensure that non-English speaking, visually impaired and/or hearing-impaired members understand what they are signing.

17.2 Network

Passport Health Plan members may obtain family planning services from any DMS-approved Medicaid provider. No referral from the member's primary care practitioner (PCP) is required for family planning services.

17.3 Claims

All family planning claims are to be submitted to the following address:

AmeriHealth HMO, Inc. Family Planning
Attn: Claims
P.O. Box 42476
1901 Market Street, 29th Floor
Philadelphia, PA 19101-2476

Claims for presumptively eligible (PE) members should be submitted according to the guidelines in Section 18.

17.4 Contact
