Authorization and Claim Reconsiderations:
Claim Reconsideration Request Form Requirements

As of Aug. 1, 2019, claim disputes or authorization reconsiderations submitted on an incorrect form, or submitted on a form that is not filled out completely, will be returned unworked. This change is based on the Jan. 2019 update Molina made to the authorization and claim reconsideration processes.

Request for Claim Reconsideration Form

- Must be submitted for any dispute that is related to a claim denial that is not due to an authorization

Authorization Reconsideration Form

- Must be attached to any request involving an authorization denial or update

Authorization and Claim Reconsiderations:

The appropriate form will be required to process the reconsideration.

- Request for Claim Reconsideration Form
- Authorization Reconsideration Form

These forms have been updated and are available on our website under the "Forms" tab. Please be sure you are accessing the current version of the form on our website or your request will be returned unworked.

- For more information regarding our Authorization and Claim Reconsideration processes please see the reference guides on our website on the "Manual Tab" under the section titled Quick Reference Guides & FAQs.

- These guides are specific to each line of business.
- Please confirm the line of business the member is eligible under and reference the correct guide for the reconsideration process and appeal rights.

Authorization and Claim Reconsiderations:

Claim Reconsideration Process (Not Related to an Authorization)

Submit a claim reconsideration only when disputing a payment denial, payment amount or code edit. Claim reconsiderations are applicable for disputes unrelated to clinical appeals or reconsiderations associated with pre-service and post-service authorization.

Primary insurance Explanation of Benefits (EOB), corrected claims, and itemized statements are not accepted via claim reconsideration. Please refer to the Corrected Claims submission process guidelines.

The Claim Reconsideration Request Form (CRRF) must be filled out entirely and include the claim number, or it will not be processed and the provider will be notified. Paper submissions received by mail will not be processed and the provider will be notified.

The form and supporting documents can be submitted through our **Provider Portal** or the form can be faxed to (800) 499-3406
